Profile

Chris Ainsley is the proprietor and lead consultant at the Fifteen Fifty Nine consultancy. Chris now shares his time between the UK and South East Asia.

Chris has enjoyed a successful career to Managing Director level with both employment and consultative roles in plc and private companies. With dynamic creativity and infectious enthusiasm, he builds excellent long-term strategic relationships with clients and colleagues at all levels. His reputation is one of dedicated delivery within the Fifteen Fifty Nine business. Now a consultancy of more than two decades standing.

Previously Chris spent seventeen years with a well respected company in the UK construction industry (one of Europe's premier companies in its field). He was CEO for his last six years tenure.

Chris is known for his commercial acumen and ability to motivate those around him. He has consulted with clients and colleagues throughout the UK, Europe and most recently Thailand. He possesses a modern, eclectic business style with acumen drawn from his considerable experience in a variety of industries.

Moreover his reputation as a mentor and personal development coach has grown over the last decade. His many testimonials confirm his ability to motivate his coachees through pragmatic, real life, tangible processes – resulting in them achieving the most from their careers whilst maintaining an essential work/life balance.

Chris is a “people person”. He combines that core value with his solid business experience to add much value to any role or initiative he undertakes.
